

Dear Pine Lodge Inn Friends, Guests, Supporters & Suppliers:

We are excited and pleased to announcement that as of March 1st, 2017, Pine Lodge will be under new ownership. While we look forward to a new phase of our lives with great anticipation and enthusiasm, there is obviously some mixed emotion in moving on.

Seven years ago, we took a risk and followed a dream. While it could be an Everest climb at times, we are proud of our accomplishments and the industry accolades and awards we've received along the way. More importantly, has been the warm and kind words from guests and we will forever cherish the fond memories of the people we've met and the times we've shared.

Pine Lodge will be one of most valuable and interesting journeys we'll ever experience. We have benefitted and grown personally in ways we never could have imagined when we started this journey. We are grateful for the experience and for all that it has taught us.

While we are moving on, it's reassuring to know that the new ownership brings a new energy, enthusiasm and commitment to Pine Lodge. They have plans that we know will be embraced and not only do we wish them well, we'll be cheering them on from afar.

In closing, we extend our personal thanks to all the guests, employees and friends who have helped to make the last seven years so very memorable!

Warmest Regards,
Paul & Connie Derry
